SMART SHOP™ Habco ESM49HCTD AI Enabled Retailing

SMART SHOP
IT'S BRILLIANT!

Vending Concepts offers the complete Habco lineup: freezers, single-door coolers, and the new double-door AI Smart Cooler.

HABCO Insulated Safety Glass
Heat reflecting full door w/ black extruded frame

AI Vision Technology
AI camera technology tracks the items selected by each customer

Shelving
Six (12) white coated shelves
24 1/2"W x 21 1/2"D

Front Breathing Refrigeration
Front-mounted air intake & exhaust vents

Priority Air-Flow
Delivers optimal cooling and energy efficiency with front-focused heat exchange.

One Subscription, Not Two -
The second door adds selection, not cost.

24/7 Ticketing Support Globally
Round-the-clock global ticketing assistance.

Warranty: (3) Year Limited Parts and Labor Warranty. Additional (2) Year Limited Compressor Part Warranty. Plus 2-year SandStar CV Coverage

Touch Screen Card Reader

Robust unattended payment terminal manufactured by Castles Technology for self-service environments such as vending machines, kiosks, and laundromats.

Energy Efficient Full LED Array Lighting System
Illuminate products to enhance display

Flexible Payment Options
QR code scan & go feature or a card reader payment system

24/7 Retail Operations
Secure unattended retail system

Remote Management System
Centrally controlled VMS system

Real-Time Shopping Cart
Purchase multiple items in one transaction

Sliding Cooling Deck (The Cassette® System)
Slides out for maintenance or replacement.

Finless Free&Clear™ Condenser Coil
Maximizes airflow, reduces energy use, & prevents clogging.

Optional: Universal Pusher

Drink & Snack Pushers Available
Keep products organized and front-faced with this 8-lane pusher organizer. Ideal for flat shelves in cold vaults, coolers, or merchandising racks, it enhances visibility and accessibility and can be trimmed to fit specific display needs.
