DESCRIPTION

Smart Technology. Maximum Flexibility. Superior Performance.

VC NC06-5S ADA Compliant Snack Vending Machine. The VC NC06-5S comes factory-equipped with advanced backend management software, giving operators full visibility and control. Easily monitor sales, track inventory, generate detailed reports, and receive real-time alerts for malfunctions anytime, anywhere.

This machine supports today's leading payment platforms, including GrabPay, Touch 'n Go, Boost, Maybank QR, Paywave, PayRange, Google Pay, Apple Pay, and more ensuring convenience for every customer.

Designed for ultimate flexibility, the VC NC06-5S features a modular shelving system that can be reconfigured for various product sizes and up to 36 total selections (customization fees apply). The standard layout includes 12 large (chip-size) and 12 small (candy-bar size) selections. For non-traditional items, upgrade to a conveyor system to accommodate irregularly shaped products.

Additional features include:

- Guaranteed vend system: ensures customer satisfaction by holding payment until product is dispensed
- Bright, energy-efficient LED lighting
- ADA compliance for inclusive accessibility

This is not just a vending machine it's a next-generation retail solution.
