- ▶ Standard with 6 Shelves
- ▶ Double Layer Toughened Glass

## PRODUCT CAPACITY & FLEXIBILITY

The **VC 7206-10 ADA Slim-Max Snack Machine** occupies less than 9 square feet of floor space with a width of under 29 inches. Featuring 6 customizable shelves, it delivers unmatched revenue potential per square inch compared to other snack machines. Its versatility allows it to accommodate non-traditional vending products, making it an ideal solution for locations such as laundromats, as well as for selling tobacco, CBD, vape products, or specialty beverages and snacks.

DESCRIPTION

The **VC 7206-10 ADA Slim-Max Snack Machine** offers exceptional flexibility and convenience. It is compatible with a wide range of modern payment platforms, including Grab Pay, Touch N Go, Boost, Maybank, QQR, Paywave, Payrange, Google Pay, Apple Pay, and more.

This modular machine features **customizable shelves**, allowing for adjustments in size and the number of selections, with a maximum capacity of up to 36 products (customization fees apply). The standard configuration includes 12 large (chip-size) and 12 small (candy-bar size) selections. The machine also includes a secure, lockable cash box, a guaranteed vend system that ensures credit is held until the product is dispensed, and LED lighting for enhanced visibility.

Its versatile design accommodates a variety of product sizes and types, making it suitable for a wide range of applications, from traditional snacks to specialty items.
